

Hatch

Giving is predictable

The world's first Giving Intelligence Platform

How

We are the first of its kind Giving Intelligence Platform. We provide organizations with **new information** on each individual donor; delivering a complete human profile.

We then leverage our Altruistic Intelligence™ to recommend the most personalized methods of engagement and fundraising.

Mission

We see a world of natural born givers. We believe people exist to enrich life by giving meaningfully, purposefully, deeply. We envision a society of intelligent contributors, perpetually adding value to individual, communal, and societal life.

Search

Whether you're a fundraiser prospecting for a donor who's inclined to give big and give now, or a p2p campaign manager looking for a marathoner with a large social network, Hatch's search portal will find who you're looking for, in seconds

Social map

Social is networking. Networking is connections. Connection is growth. Growth is more donations. We know that nonprofits grow organically. Mapping out their social footprint gives you the tools to leverage your donors' social network. Who knew your donor could introduce you to your favorite instagram influencer? Hatch does.

In the news

No more endless hours of google searching. We’ve compiled every media story that mentions your donor in an intuitive interface.
